Please examine this proof carefully and contact us as soon as possible for approval, changes and/or corrections. In order for your project to be completed on time, we need approval by _____. Thank You.

D IRECTIONS: Please stay within text box outlines so that type will not be cut off at edges. If you have a background image or color, place it in the gray box surrounding the outline, and change the gray background to white. Do not enlarge the box as it is already properly sized. If you do not have a background color or image, delete the gray box. Group, copy and paste entire side A label (including outlines) onto 10-up or 12-up template. Line up with outlines already on template. Do this down entire left column. Repeat for side B on right column. After lining up, ungroup and delete frames.
