Please bleed background colors, graphics and/or photos 1/8” around all outside edges and keep text 1/8” within outside edges.

The panel names are oriented as to the way they will read when assembled.

Do not alter this template or use any other template as the dimensions and placement on the page need to be exact.

Clicking on the DELETE OUTLINES box with the arrow tool will select all of the panel names and outlines so that they can be deleted before printing.
